Arezza is a kit to obtain high decoration finishes fossilized or aged for wood. The kit consists of the following products:

Protector (A): colourless water-based polyurethane varnish. Highlights the beauty of the wood, not altering the tonalities and contrasts of the grain. Guarantees excellent resistance to bumps, scratches and stains.

Patina (B): lime-based and cological natural patina. Confers a fossilized appearance to wood.

Verona

Shadow lasur for dying.
TONE FINISHES FOR WOOD
