GRAPHENSTONE®

## Home of Holism – Interior Design

HOUSE OF GREY

Graphenstone paints have been specified for a showroom of interior design concepts aimed at improving the health and wellbeing through our internal spaces. Graphenstone was chosen for:

- Ecological and sustainability credentials
- Cradle to Cradle certifications

Products used	GrafClean and GrafClean Eggshell
Interior Designers	House of Grey

GRAPHENSTONE®

## Testimonial

"We specify all our projects to give our clients the choice of using circular, Cradle to Cradle materials. The aim of Circular Design is to eliminate waste and pollution from the creative process, regenerating natural environments, keeping products and materials in use – and out of landfill"

Louisa Grey – Founder, House of Grey
