Spetchley Park Estate

Spetchley Park, Worcester

Spetchley Park is a family owned Grade II listed mansion that has been in the same family for over 400 years. The Regency house is built in two storeys of Bath stone; set in parkland and over 30 acres of gardens.

An extensive redecoration program has recently taken place reimagining this historic house for a young family in the 21st century.

Graphenstone's ecological and sustainable paints were selected for the full redecoration of the building.

Graphenstone was chosen for:

- Breathability - Class 1 vapour open
- A strong environmental focus
- Requirement for natural mineral based materials
- Durability & Washability – Wet Scrub Class 1

Products used	GCS Interior, GrafClean and Four2Four
Contractors	Andrew Marshall Decorators
