GRAPHENSTONE®

GAIL's BAKERY

As well as having a passion for good bread and pastries, Gail's Bakeries are doing all they can to minimise their carbon footprint. As part of their Net Zero plan, Gail's have specified Graphenstone paints across the whole Gail's Bakery estate. To date over 20 bakeries have used Graphenstone as part of a refurbishment or new store programme, with plenty more in the pipeline.

Graphenstone was chosen for:

- CO₂e savings
- CO₂ absorption
- Durability & Washability – Wet Scrub Class 1
- Overall environmental credentials

Products used	Ambient Pro+ and GrafClean Matt
Number of bakeries	20+
CO ₂ (e) Saving *	Approx 1 tonne

* CO₂e Saving is an approximate saving based on the EPD figures of a leading competitor.

** CO₂ Absorption based on 5kg CO₂ absorbed per 15 litre tub of Ambient Pro+
