St James Apartments specified by Kate Watson-Smyth

Kate Watson Smyth, founder of Mad About The House, designed five beautiful eco conscious apartments, in consultation with Obespoke and Obbard as part of a rental collection.

Kate consulted on the concept, colour scheme, and ambience for the apartments, ensuring attention was paid to every details

Graphenstone was chosen for:

- Wide environmental credentials
- Rich colours

Products used	GrafClean Matt
Interior Designers	Obbard with Mad About The House
